## Seeds of Language Mini-Grant Application

AICLS is sponsoring a mini-grant program to assist California Natives who are working to revitalize their languages through the purchase of recording equipment, attendance at language conferences and workshops, conducting research, or other possible language-related projects.

A small number of grants ranging from \$100 to \$500, depending upon need, will be given throughout the year. If you are interested in applying for this program, please complete the application form and mail to the address listed below. You will be notified when your request has arrived and a decision will be made within 30 days of receipt of the completed application. Email Carly Tex for deadline [cj.tex2014@gmail.com](mailto:cj.tex2014@gmail.com).

In addition to this short form, please attach a letter describing your activities relating to language preservation and how this grant will help assist you.
